

FOR IMMEDIATE RELEASE

CreaBitty.com Joins Carson Ware as Associate Sponsor at BetMGM 300 in Charlotte

May 20, 2025 — Silver Spring, MD — *CreaBitty.com*, the revolutionary creatine gummy company changing how the world thinks about supplementation, is proud to announce its associate sponsorship of NASCAR Xfinity Series driver **Carson Ware** in the upcoming **BetMGM 300** at **Charlotte Motor Speedway**.

The partnership is part of a larger collaboration with **Costa Oil – 10 Minute Oil Change**, the primary sponsor of Ware's No. 35 entry for **Joey Gase Motorsports**.

This race marks **CreaBitty's first foray into motorsports marketing**, bringing the brand's bold energy, sharp focus, and clean performance into one of the most demanding competitive environments in American sports.

"CreaBitty is about fueling high performance — physically and mentally — and NASCAR is the perfect arena to showcase that," said Calo Citti, A Rep of CreaBitty.com. **"With Carson Ware behind the wheel and Costa Oil in the pit box, we're thrilled to align with teams who understand speed, endurance, and precision—just like our product."**

CreaBitty: Fuel for Body and Mind

More than just another creatine product, **CreaBitty Gummies** are powered by **pure creatine monohydrate** and enhanced with **Alpha GPC**, a powerful nootropic known to support **focus, memory, and cognitive clarity**. The combination makes CreaBitty a favorite not just among athletes, but also students, professionals, and high-performers from all walks of life.

"It's exciting to have a performance supplement brand like CreaBitty in the car," said **Carson Ware**. **"When I'm on track, focus and endurance are everything. CreaBitty understands that high performance starts before you ever get behind the wheel."**

Future Races, Future Fuel

CreaBitty.com's branding will be featured prominently on the No. 35 car during the BetMGM 300 in Charlotte on **May 25, 2025**, with plans to serve as **primary sponsor for future races** later this season — TBD

About CreaBitty.com

CreaBitty is a next-generation **creatine gummy supplement** designed to power both **body and brain**. Featuring 5g of creatine monohydrate plus 300mg of **Alpha GPC**, CreaBitty delivers convenient, delicious performance with no mixing, no bloat, and no compromise. Trusted by athletes, entrepreneurs, and everyday high-performers alike.
